OVERVIEW

Self-taught software developer with a passion in web design, data science and analytics. Looking to utilize my knowledge and experience to attain advancement and growth within a company.

PROFESSIONAL EXPERIENCE

February 2020 - Present

Data Analyst

Tesla, Elkridge, MD

- Work with team members to help build out the data and reporting infrastructure using Tableau and SQL to provide real-time insights on fulfilment progression
- Utilize MS SQL, data warehousing programs, Tableau, and other dashboard/visualization toolsets for data intelligence and analysis.
- Manage the planning and development of design and procedures for metrics reports.
- Use several analytical tools for assuring quality and completeness of data.

September 2019 – January 2020

Fulfilment Coordinator

Amazon, North East, MD

- Assign incoming orders to pick teams to be fulfilled in a timely fashion
- Work side by side with logistics to insure safe and accurate shipments
- Assist pick teams in problem solving to make sure orders are accurate and fulfilled in a timely fashion
- Oversee QC department to make sure fulfilled orders are staged properly in an accessible and identifiable manner.

October 2014 – August 2019

Warehouse Manager

UTZ Quality Foods, Laurel, DE

- Manage, monitor, and maintain proper inventory records of the movement of goods in and out of the facility
- Develop and manage use of new asset tracking database system, regularly ensuring accuracy of inventory database versus store assets
- Oversee the receiving and unloading processes for inbound shipments. Check for damage, infestation, shelf life, and temperature are completed upon receipt.
- Responsible for assisting in minimizing product costs and maintaining tight inventory control.
- Identify process inefficiencies and make necessary changes for process improvement.

June 2013 – October 2014

Warehouse Operator

UTZ Quality Foods, Laurel, DE

- Unloaded and organized product from incoming carriers.
- Maintain and cleaned warehouse to accomplish and exceed company standards.
- Answered incoming calls regarding customer needs.
